BUYING GUIDE

BEST BUYS

85 **Valdivieso 2008 Sauvignon Blanc (Central Valley); \$8.** Although the nose is a little bland, the wine is clean and shows hints of pear and sweet grapefruit. The palate is not overly concentrated, so things flow easily as it delivers lime and citrus flavors. A lightweight made for limited-thought quaffing, which is exactly what you should expect for eight bucks. Imported by Laird & Company.
