## MAREGA

WINE ENTHUSIAST—JULY, 2008

### MAREGA

#### 2003 HOLBAR BIANCO

**90**  
POINTS

Here is an intense 80-20 blend of Riesling and Chard that is redolent of apple, pear, pine nut, resin and maple syrup.

The wine has loads of personality and complexity and is very unique in a non-commercial way. The word Holbar refers to the acacia wood casks used to the wine.

### MAREGA

#### PINOT GRIGIO 2006

**85**  
POINTS

This is a fragrant Pinot Grigio with aromas of stone fruit, citrus and melon that delivers a thin and somewhat watery mouthfeel followed by a crisp,

fresh close. It's an easy, informal wine that could be paired with afternoon finger foods.
