## CASONI LIMONCELLO DI SORRENTO

Standard issue opaque, cloudy lemon juice yellow. Sports a keenly tart lemon juice fragrance in the first whiffs; after further aeration, the aroma turns on the lemon juice/lemon zest spigot as the bouquet turns enticingly tart/astringent. Entry is sharply acidic (just as it should be for the category) and intensely lemony (more zest than juice or pulp); the midpalate stage features heightened lemon zest/peel concentration and a real sense of authenticity. Concludes wonderfully tart, astringent, and lemony.

**Bravo all the way.**
