

FINCA  
**LA DANIELA**

**Malbec**

A ruby red color is accompanied by aromas of plums, ripe cherries and spices. On the palate it is round and smooth with mature tannins and a solid finish.

**Cabernet Sauvignon**

A dark color with violet shades accompanies an aroma full of mature red fruit. On the palate it is bold and round with proper acidity offering a well-structured wine and persistent finish.

**Chardonnay**

This wine has a rich yellow color with shades of green. On the palate this wine is crisp and clear with good acidity and a hint of tropical fruit.

**Tempranillo**

The dark red color, with shades of purple, combines with the spicy and jammy aromas of this wine. It is big and round with great balance and structure across the palate.

# CAVA NEGRA

## Winery Profile:

The Familia Barberis Winery is located in the province of Mendoza, Argentina. With the purchase in 1965 of their first vineyard, Don Humberto Barberis began the journey to fulfill a dream: to construct a vineyard to produce wines of high quality. After spending many hard years tending to the maintenance of the vines, Humberto decided to acquire his own winemaking facility. In 1989, he purchased the property that currently houses the winery along with the family homestead. This property is located adjacent to the vineyards. Today, with the active participation of the children: Adrian, Walter, Liliana and Mauricio, the family tradition has received a new surge forward. Using modern winemaking techniques and global marketing, Familia Barberis is successfully selling their wines both in the national and international market.

## Malbec

This is a young wine with a bright red color and violet glints marked by the presence of red fruit (plum), lingering finish and sweet tannins that give roundness and smoothness to the wine.

## Cabernet Sauvignon

This is a bright red wine with strong aromas of pepper and red fruits. In the mouth it is a round, balanced wine with tannins typical of this variety.

## Chardonnay

This wine has a bright greenish yellow color. The aroma recalls the smell of fruits such as pineapples. In the mouth it has a fresh and light finish with fruity notes.
