

Moletto Sparkling Wines

Winery Profile: Azienda Agricola Moletto is a family-owned estate in the province of Treviso (Veneto). Commendatore Mario Stival and his sons Mauro and Giovanni share administrative responsibilities and oversee all phases of the wineries operation. Mario and his sons are all oenologists and graduates of the viticultural school in Conegliano.

Moletto wines are made from estate grown grapes from the Piave and Lison-Pramaggiore DOC growing district. The white wines are light and crisp offering exceptional value, the red wines are even more impressive. The proven ability of the Moletto estate to produce quality wine in the traditional manner has enabled the Stival family to hand down wines of superior quality and elegance from father to son for three generations.

Moletto Prosecco

This is certainly our most versatile wine and continues to be our fastest rising star. It is now available in a 375 ml-2 bottle package. This sparkling wine shows frank and brilliant tones of

pale straw yellow. Its bouquet is subtle, but well defined with a clear hint of fruit. A dry and fruity taste is also cheerful, lively and full of character. Serve with sea or fresh water fish specialties. See for yourself why Prosecco is Italy's best selling wine!

Moletto Rosa

In Italian Rosa means rose, the flower and also rose, the color. This wine is indeed delicate and beautiful like a rose. The stunning rose color is derived from the wine's short contact with the dark skins of the Tocai Rosso grapes used in this product. Its taste is vibrant, fruity and delightfully fresh. The effervescent bubbles in this naturally frizzante wine combine with just a hint of sugar, making it impossible to resist.
